Samuel Chu

Carroll & O'Dea

Samuel Chu works to make the world a better place, so it's little surprise he needs some light relief at the end of the day.

Samuel advises and assists charities, not-for-profit organisations, and others engaged in worthy endeavours. He does this work as part of Carroll & O'Dea's Charities and Not-for-profit and Education teams.

Equally worthy of mention are Samuel's comedic inspirations (if 'comedic inspirations' is the right phrase): Stephen Colbert, God, and Honi Soit (although not in that order).

Samuel enjoys working with clients of all sizes on a wide range of issues affecting the charity and not-for-profit sector – including charity law, corporate structuring and governance, commercial law, taxation, political and electoral law, regulatory issues, and discrimination and human rights. With all that on his plate, we can see why he enjoys a laugh.
